University of North Carolina at Wilmington.....May 2014
■ Bachelor of Science in Exercise Physiology

I'm so excited to be coaching again this season with Gabe. Last year was an amazing experience and I can't wait to do it all again. I am the owner of 2 soon to be 3 F45 Training studios and I love my job! I have the cutest dog in the world (maybe he can come to practice) & my favorite food is tacos. Can't wait for an exciting year and to get the season started!
