

Laura Winkler 12 Laura Head Coach

I started playing volleyball at the age of 10 and I haven't stopped yet! In high school, I was a Varsity player for 3 out of 4 years as an outside hitter and earned All-Conference Honors my Junior and Senior year. I have played on many USAV teams as an adult and love everything about the game.

I have had the pleasure of coaching club volleyball for the past 7 years both in Illinois and the Atlanta Metro Area. My present coaching positions are the A5-12's age group; Head JV Coach for Women's Volleyball at Centennial High School and Head Club Coach for the Men's Volleyball Club at Centennial High School.

I have a passion for developing players both on and off the court. With over 7 years of coaching experience, I have a proven track record of success in enhancing the skills and overall performance of the athletes. My coaching philosophy centers around creating a positive and supportive environment that fosters growth, teamwork and a love for the game. I try to emphasize the importance of hard work, discipline and perseverance while ensuring that each athlete's individual needs and goals are considered. I also understand that building strong relationships with the athletes is crucial to their success. I encourage open communication. Sportsmanship, teamwork and self-confidence are things I try to instill in my athletes that translate into life skills that extend beyond the court.
